Evidence of Mass Killings ? The Massive Rise in Excess Mortality in Britain, Ireland, USA and several other countries in 2021 resulting from specific government policies which directly led to

Deaths from :

- Covid Vaccines and Boosters and**
- Refusal to provide safe and effective medicines and early treatment for covid19 since April 2020 and use them as Preventatives and Prophylactics and**
- Implementation of Lockdowns which caused the cancellation of many hospital appointments and led to many missed diagnosis and non treatments of serious illnesses and diseases and the Lockdowns having the effect of increased suicides in communities**

This has serious political and legal implications for Britain and for Ireland and other countries which are experiencing a big rise in excess mortality in 2021. This is particularly acute in countries which blocked or banned safe and effective medicines for covid19 since April 2021. And millions of cancelled hospital appointments in 2020 and 2021 worldwide due to Lockdowns with knock on effect of missed diagnosis and non treatments of serious illnesses, along with the introduction of unsafe covid vaccines in 2021 which led to a massive increase in excess mortality and all cause mortality in 2021. This increased death rate has already been found in the Pfizer vaccine trials and in VAERS data, EU government data and British government data and government data from around the world.

- **From December 28th 2020 to December 5th 2021**
 - 3,052 excess deaths for Ireland, a 533% increase in 2021
 - 61,881 excess deaths for Britain, a 73% increase in 2021
 - 540,599 excess deaths for USA, a 102% increase in 2021
 - 5,086 excess deaths for Israel, a 163% increase in 2021
 - 14.3 million excess deaths for world, a 223% increase in 2021

Highly covid vaccinated countries have experienced increases in excess deaths in 2021 ranging from over 100% to 1,000% to 16,000%. See charts below. Massive increase in deaths compared to 2020. This is strong evidence that something is killing these people. The covid vaccinations began in Ireland in early January 2021, the charts below track excess mortality from January 2021 to December 5th 2021.

More Official Data from HPSC in Ireland shows that the covid vaccines are not working and are losing effectiveness and the vaccinated are less protected than the unvaccinated. The boosters are the same as the vaccines and are having the same consequences.

Note: there is a False Positive rate for covid19 of 97% in Ireland due to PCR cycle counts of 40 - 45 cycles. This skews the numbers for vaccinated and unvaccinated numbers. Also a person is deemed to be vaccinated until 14 days after a vaccination. This also skews the data for unvaccinated persons. Some covid vaccine deaths are being mislabelled as 'covid19'. The official HSE and HPSC numbers for vaccinated and unvaccinated are skewed, inaccurate and wrong.

Analysis of Evidence

The covid vaccinated are suffering far higher rates of death, cases, ICU admissions and hospitalisation than the unvaccinated. It is obvious that the vaccines are not working and the boosters which are the same as the vaccines will not work either in this country as we have seen in other countries such as Israel where the 3rd vaccine or 'booster' did not work and they are planning a 4th vaccine or 'booster'.

Covid19 patients have continued to be deprived of safe and effective medicines for covid19 since April 2020 and early treatment of such and use of these as preventatives and prophylactics due to government, NPHET and HSE policies which banned or blocked them. These medicines would have reduced hospital admissions by 50% or more according to top medical experts and which we have seen in other places such as Florida, where Governor DeSantis introduced Regeneron as an early treatment. See below video from 40 seconds to 2minutes and 10 seconds:

<https://www.youtube.com/watch?v=aRXjJ3g9zHU>

And the following video which explains why the authorities are blocking crucial preventive treatments that save lives: <https://www.youtube.com/watch?v=PYMLMchQxU8>

And the following video/link showing the deliberate blocking of early treatment and testimonials from people who got early treatment with recovery results : <https://fb.watch/8cHSR0sHv0/>

This must be factored into the hospital numbers mentioned above. **The best solution is to provide the vaccinated and unvaccinated with the safe and effective medicines for covid19 which have been available since April 2020 and been used and highly recommended by medical doctors in the USA and a few other countries and mentioned in our prior books of evidence given to the gardai (Irish police). Deploy early treatments and also use them as Preventives and Prophylactics and Use the Focussed Protection advised by the Great Barrington Declaration and Save Lives instead of killing them and take the pressure off the hospitals.** But the Irish government and NPHE and HSE have refused to do this and are refusing to do so. This is totally unethical and provides more evidence of their criminal actions criminal intent criminal behaviour and criminality which requires prosecutions in court. Please note that the European headquarters of Regeneron is in Dublin and the supply of Regeneron as an early treatment was not allowed in Ireland, yet one could get this early treatment under a compassionate plea only and again and this was not broadcast by the Irish government and media. In November 2021, the European Medicines Agency approved Regeneron for use in European Union countries such as Ireland. Yet it continues to be blocked in Ireland.

Death is the most serious outcome of covid19 or any illness and this is much higher in the covid vaccinated than in the unvaccinated. These only measure covid19 deaths and not **All Cause Mortality** in the vaccinated. The evidence shows a massive rise in covid vaccine side effects, and a massive rise in **All Cause Mortality and Excess Mortality** in 2021 which began after covid vaccinations in early January 2021. Over 16,313 side effects from vaccines have been recorded by the HPRA in less than one year following the roll out of the covid 19 vaccines, they don't state the life expediency of some of those serious injuries. This is important and relevant as scientific research shows a rise in myocarditis and cancers among those vaccinated and this tends to lower life expectancy. The evidence previously submitted to gardai shows a link to covid vaccines and to 150,000 cancelled hospital appointments due to unnecessary Lockdowns.

The Key Factor for Irish Hospitals

Covid19 patients have continued to be deprived of safe and effective medicines for covid19 since April 2020 and early treatment of such and use of these as preventatives and prophylactics due to government, NPHE and HSE policies which banned or blocked them. These medicines would have reduced hospital admissions by 50% or more according to top medical experts. This must be factored into the hospital numbers mentioned above.

Hospitals and ICU beds have come under pressure from illnesses and diseases which are not specifically covid19, such as the following:

1. covid19 vaccine injuries, eg. myocarditis, brain haemorrhages, strokes, etc. and disabilities and deaths
2. ADE and Immune Priming in covid vaccinated people. Immune system weakening. Increased risk of infections and Cancers. See sections below for scientific explanation of this damage to body.
3. the people who had 150,000 cancelled hospital appointments in 2020 and 2021 due to unnecessary Lockdowns and these include missed diagnosis for cancers, heart diseases, dementia, respiratory diseases, diabetes, endocrine illnesses, worsening of chronic illnesses, etc.
4. the worsening of mental illnesses and attempted suicides due to unnecessary Lockdowns
5. the worsening of colds and flu and respiratory illnesses due to Lockdowns which depleted herd immunity and weakened the immune systems of individuals who are regularly exposed to colds and flus every year and recover with updated and stronger immune systems.
6. the big rise in domestic violence and victims of such due to unnecessary Lockdowns
7. the massive increase in Excess Mortality in 2021 which is 3,300 so far in December 2021 clearly shows that people are being killed off by something in greater numbers than in previous years. The Excess Mortality for 2020 was only 592.

For the purposes of clarity we ask the HSE needs to furnish to the gardai and DPP the number of ICU beds and hospital beds and A and E admissions which have dealt with the above non-covid19 illnesses in December 2021 and for all of 2021.

More Evidence that the vast majority of covid19 deaths in Ireland involved people with pre-existing serious illnesses and diseases and old age which placed them at high risk of dying of all causes in 2020 and 2021. They would have died in the absence of covid19. This is corroborated by Excess Mortality figures and death rate per million people.

Underlying conditions in 85% of Covid deaths in Ireland

The Times, December 19th 2021

<https://www.thetimes.co.uk/article/underlying-conditions-in-85-of-covid-deaths-in-ireland-gx6kj2gtm>

This has been further complicated by the high rate of False Positives, 97%, in PCR tests for covid19, where many other serious illnesses were mislabeled as “covid19 cases” and “covid19” deaths.

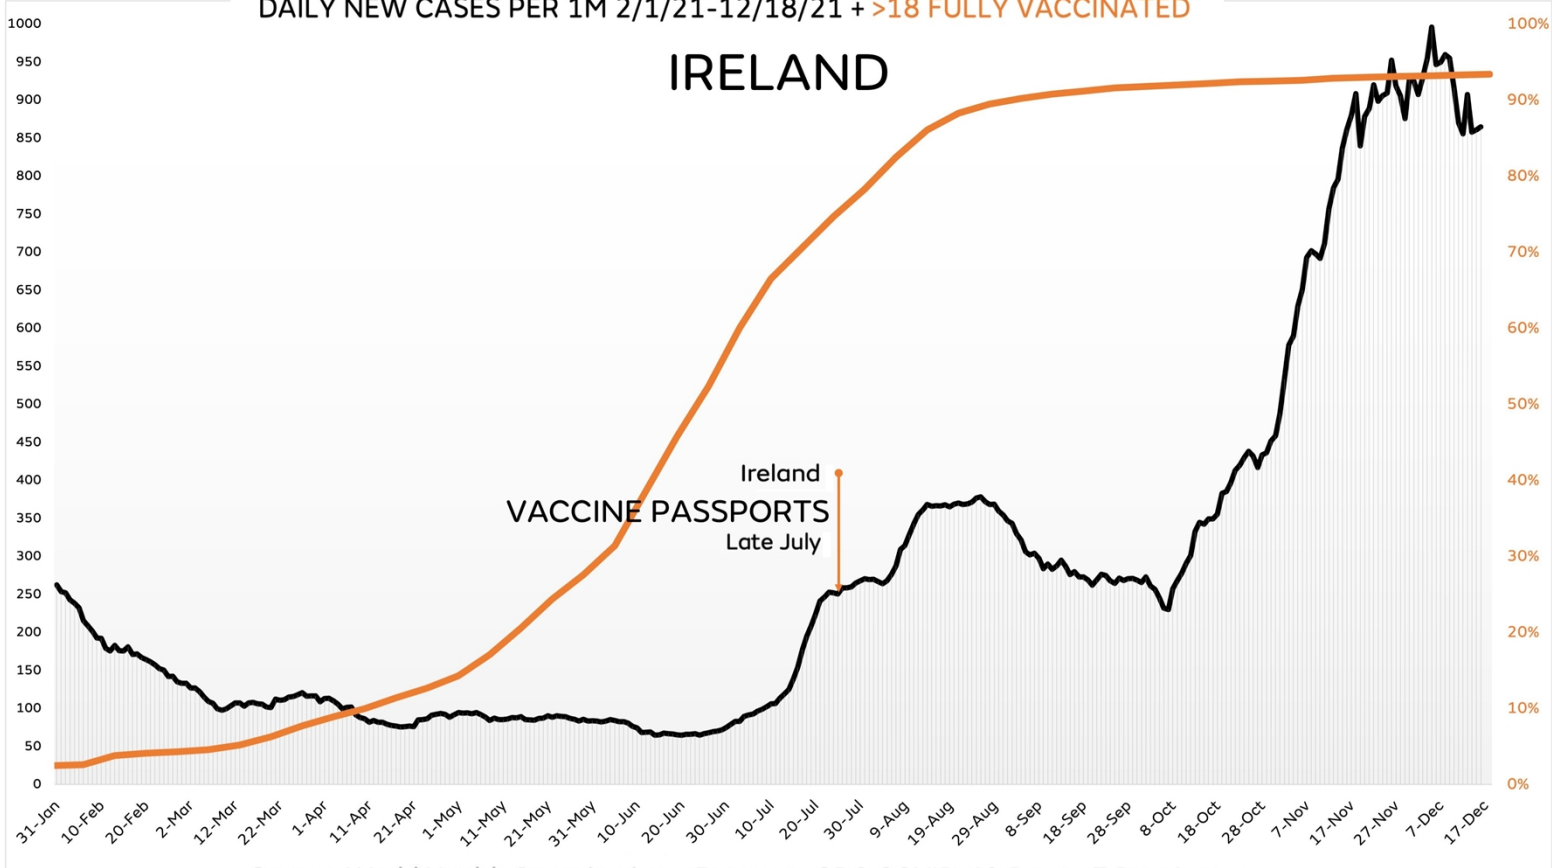

In 2021, this complication has worsened as many covid vaccine injuries, disabilities and deaths were mislabeled as “covid19”. The lack of precision and accuracy in diagnostic tests led to fraudulent covid19 numbers and statistics and is a massive problem for the HSE and government in Ireland and some other countries.

More evidence that the covid vaccines and vaccine certs or passports are not working and will not work and are not justifiable on Legal and Scientific grounds

The graph below corroborates the evidence in our prior books of evidence that the covid vaccines are not working and the vaccine certs or passports are not working.

The following graph shows a strong correlation between vaccine dosage of the population and an immediate and large increase in covid19 cases, deaths, and ICU admissions,. This is followed by a small decrease during the Summer and then a big increase a few months later. And this continues to rise. The evidence is clear – the vaccines and boosters are not working, not effective. And the vaccine passes and certs are not justified scientifically and legally.

More corroboration of our evidence showing that Lockdowns and social restrictions killed people. This is particularly serious for cancer patients both diagnosed and undiagnosed or suspected of having it. This has led to an increase in ICU admissions and deaths from serious illnesses and amounts to murder / manslaughter.

Another lockdown will only fuel the cancer crisis

The Spectator, 19 December 2021

<https://www.spectator.co.uk/article/another-lockdown-will-only-fuel-the-cancer-crisis>

Pathologists and Autopsies identify how covid vaccinated people are being killed by the vaccines. The Irish government and NPHET approved the giving of these unsafe vaccines to large numbers of Irish people. And are refusing to acknowledge these dangers and research and take protective measures to safeguard the Irish people.

Scientific data and evidence showing the covid vaccines and boosters are Ineffective

Vaccine Passports and Certs are scientifically, medically and legally unjustified and are a crime against the people and a breach of their Constitutional and Human Rights. They are a breach of our data protection and privacy and are totally unethical. All the good work, time, effort and millions of euros in putting data protection and ethical principles in place in the work place in Ireland are now being eroded and disregarded.

The boosters are as ineffective as the covid vaccines against Omicron and other variants of covid19

The scientific and medical evidence and data shows that covid vaccines and boosters are causing many new mutations of the covid19 virus and it's spike protein and creating new variants ; Omicron being the latest one. The risk of more dangerous super variants indirectly created by the vaccines and boosters is a significant threat to humanity.

There is also evidence of damage to human immune systems from these vaccines. This is very serious and means there will be massive loss of lives and injuries and disabilities.

The information submitted to the FDA and other regulatory bodies show that the vaccines and boosters

contain the same ingredients. Both vaccines and boosters become rapidly outdated and ineffective due to intense viral mutations which create newer variants.

- Dr. Eric Rubin approved covid vaccines and boosters for children at an FDA meeting in the USA in October 2021 on the premise that we would all wait and see how many children are killed and seriously injured by the covid vaccines and boosters. All evidence showing deaths and injuries caused to children and high risks to children from these vaccines at the FDA meeting were ignored. This is NOT Science, this is illegal and unethical experiments on children. This FDA ruling has impacted the European Union and Ireland, facilitating the same experiments on children here. The rising number of deaths and injuries and illnesses / disabilities caused to children provides evidence of a dangerous experiment which is out of control and needs to be stopped by governments in Ireland, Europe and worldwide. This is strong evidence of the crime of reckless endangerment of children on the part of Rubin and those who followed his direction and advice such as NPHET, the HSE, vaccinators and the Irish government.

Government and NPHEt have refused to address the problem of Vitamin D Deficiency in Ireland in 2020 and 2021. It's not as profitable as vaccines and endless boosters.

Most people in Ireland are highly deficient in Vitamin D. The Views and Important Advice of the International Experts for many countries including Ireland

Top medical doctors and scientists and Experts condemn the response of many governments, including the Irish to covid19, and the many deaths and injuries caused by this response and the Crimes against Humanity involved, and they recommend completely new treatments and diagnostics for covid19 and it's variants and treating illnesses in general

An international alliance of physicians and medical scientists met in Rome, Italy on September 12 - 14 for a three-day Global COVID Summit to speak "truth to power about COVID pandemic research and treatment." The summit presented an opportunity for the medical professionals to compare studies and assess the efficacy of the various treatments for the Coronavirus that have been developed in hospitals, doctors' offices and research labs throughout the world. Out of this came **Two Physicians Declaration** was submitted to medical professionals and governments around the world.

Continuing Crimes against the Irish People and Nation

The Blocking and Banning of safe and effective medicines for covid19 since April 2020 and the use of such as Preventatives or Prophylactics against covid19 has led to pressure on ICU beds and hospitals and funeral services in 2021 and to an increase in Excess Mortality in Ireland. Criminal negligence and failure in Duty of Care by Irish government and NPHE to the Irish people and nation.

Medical doctors and scientists and health authorities admit that there have been safe and effective medicines such as Ivermectin, Hydroxychloroquine, Zelenko Protocol, Fareed & Tyson Protocol, Budenoside, Vitamin D, Regeneron, etc. for covid19 since April 2020 and they have saved millions of lives . This is a legal and medical fact and has been cited in several books of evidence provided to the gardai in this criminal investigation / case.

Scientific studies continue to show the effectiveness of Ivermectin against covid19 and its importance in early treatment and as a Prophylactic. This was blocked and banned for covid19 treatment in Ireland.

More Scientific studies showing Natural Immunity and Recovery is Superior to Vaccine induced Immunity. Another Reason for ending Covid Vaccine Certs or Passports.

This includes the use of safe and effective medicines available since April 2020 and their use as Preventatives and Prophylactics against covid19, and Vitamin D and healthy eating and exercise every day to maintain strong natural immunity.

- People who've had Covid in last six months are 'relatively well protected' from Omicron, top expert says as he claims variant is like a cold for most

The Facts and Evidence about the Omicron variant of covid19

The facts and evidence from Dr. Coetzee a medical doctor who identified and treated people with the omicron variant show that it is equal to delta in transmission and infectiousness and the symptoms are milder and it is less deadly than delta and people tend to recover more quickly. The safe and effective medicines for covid19 available since April 2020 are effective against omicron and all variants of covid19 and can also be used as Preventatives and Prophylactics against covid19. Natural immunity and recovery also provides full protection against variants according to the scientific research submitted in prior books of evidence in this case.

News reports about omicron variant -https://duckduckgo.com/?q=omicron+coetzee&t=h_&ia=web
The PCR test to conclusively prove the existence of delta variants and omicron has not been peer reviewed and proven scientifically. And isolation of sars-cov2 virus and it's variants and their full genome has not occurred.

The Psychological Operations involved in this crime of Treason

Use of Propaganda NOT Science to illegally push the covid19 narrative. Understanding how the criminal attack on and overthrow of the Irish Constitution was carried out. And the false reasons used for continued criminal deprivation of the Constitutional rights and Human Rights and Civil Rights of the Irish people and nation.

There has been international coordination of certain psychological techniques to impose a type of totalitarian government on many nations, including Ireland. The Event 201 simulation in the USA a few months prior to the outbreak of covid19 in December 2019 provided the basis for this particular narrative and totalitarian control and the international coordination among countries and dominance of the WHO in this, to guide, direct and achieve this. Event 201 used the Lockstep programme devised by the Rockefeller Foundation in 2010 to lock down countries and impose totalitarian control on nations and use advanced psychological manipulation and censorship while using the police and military to attack and suppress protests and all opposition. Lockstep programme document at <https://www.data-analytica.org/rockefeller.pdf> . This was carefully planned out. This is now widely accepted by scientists, doctors, academics, intellectuals, politicians and most of the press and media. This involved use of advanced psychological techniques to manipulate people with false statistics, false cases, frauds, lies, censorship, propaganda, fear and paranoia and the constant reinforcement of this fear on television screens, on radios, and newspapers and on social media. The paying off of the mainstream press and media by the state or government to keep pushing this fear constantly. Create a fixation on manipulated case numbers and deaths and a constant enemy, to keep people stressed. Censoring of all opposing views and all public debate in the press and media and on social media and the Internet, including censoring national and international experts who have different views. And the creation of oppressive laws which restrict peoples movements, travel, and access to businesses and organisations and events so as to isolate and alienate people, and create vulnerability, fear and dependence. Loss of Constitutional Rights and Human Rights under the false pretext of ‘the common good’ or ‘public interest’. The strategic creation of an apartheid system and “papers please” society and the building of detention camps / concentration camps to reinforce this fear and social divisions based on fear while increasing control and compliance.

Use of lockdowns and early closings of businesses, vaccine passports and apartheid and other social restrictions as a strategic weapon to force people into getting the covid vaccines and boosters. And strategic use of new variants of covid19 to repeat this process again and again and force people to get more and more boosters. Yet the virus and its variants have not been fully isolated and their full genome not identified yet. And its Infection Fatality rate is 0.15 – 0.2% according to top epidemiologists,

scientists and the CDC which is equivalent to flu. And the average of death was 82 and the median 84, and over 93% had 2 or more serious illnesses. But this has been covered up and all public debate about this has been censored.

The intense fear mongering promoted by government and mainstream press and media has caused people to lose reason, logic, rationality and critical thinking ; they have become immersed in fear and are highly controlled. This has been accompanied by the creation of figures of hatred for the public to hate and to blame – the unvaccinated today, the Jews in nazi Germany, the bourgeois, kulaks, and foreigners in Communist Russia, the intellectuals during Pol Pot’s rule, the Irish during the British Empire, the other race in the race wars, slavery, famines and genocides of the previous centuries, the other religion(s) in the religious wars and Inquisitions of the 1500’s and 1600’s etc. They created figures of hatred for the public to hate, and used terms and language to belittle, defame, condemn and denigrate them and present them as inferior. This has created **Mass Formation similar to the tyrannies of the past** to totally control the people as found by top Psychologist and Professor Dr. Mattias Desmet in Belgium. This is totalitarianism and the destruction of democracy. Mass Formation was used by Hitler and Stalin and other evil dictators. And this is what is being implemented in Ireland today. This is a very radical attack on Ireland and on our democracies, our Constitutions and Human Rights and on our western civilisation. These are clear breaches of the Irish Constitution and it is an overthrow of the Irish Constitution by some Irish politicians and it is in fact the crime of Treason.

Professor Desmet has provided some insights into this **Mass Formation** which has been imposed on Ireland and several other countries and he explains its historical context today in 2021 and in the 20th century and prior centuries.

News interview at <https://www.peakprosperity.com/mattias-desmet-on-mass-formation/> and interview with lawyers at https://www.youtube.com/watch?v=Qj5bo_KFqgo and <https://dailyexpose.uk/2021/12/07/dr-robert-malone-mass-formation-in-the-context-of-wwii-and-current-events/>

Control and manipulation of the press and media and use of censorship is absolutely vital for Mass Formation. The Nazis did it, the Communists did it, the military dictators did it, the Cromwellians did it, the Inquisition did it, and the Colonial Imperialists did it. The Irish government spent 27 million euros on advertising and other payments to Irish press and media businesses to promote a particular covid19

More evidence of False covid19 Statistics, Lies, and Frauds. Use of Propaganda NOT Science to illegally push the covid19 narrative in Britain and Ireland. NPHE and Irish politicians are strongly influenced by covid19 news from Britain.

Dr. Tony Holohan, the CMO of Ireland, claimed that the covid boosters are effective against the Omicron variant in December 2021. This is stated in the Irish news and media

at <https://www.dublinlive.ie/news/dublin-news/covid-19-ireland-update-five-22416213>

Chief Medical Officer Dr Tony Holohan said they have "confidence" that the Covid-19 booster gives "good protection" against the new Omicron variant."

"Although this is a new variant, our early understanding gives us confidence that a booster dose of COVID-19 vaccine will offer good protection against Omicron and Delta infection"

Holohan is lying about this to the general public. These lies are criminal in nature and are causing harm to the general public. Yet the boosters have been widely acknowledged by doctors and scientists and top health authorities to be the same as the original covid vaccine.

vaccine at least 6 months after getting all recommended doses or completing a mix and match COVID-19 vaccine series.

Frequently Asked Questions

Are booster shots the same formulation as existing vaccines?

Yes. COVID-19 booster shots are the same formulation as the current COVID-19 vaccines. However, in the case of the Moderna COVID-19 vaccine booster shot, it is half the dose of the vaccine people get for their primary series.

Source: <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/booster-shot.html>

And the covid vaccines are proving to be ineffective against the Omicron variant, so the covid boosters will also prove ineffective as they are the same as the covid vaccines. In prior books of evidence we showed scientific facts and statistics of how the covid vaccines were losing effectiveness every week and month and also depleting the immune system causing a type of AIDS. The medical and scientific evidence also shows that Antibody Dependent Enhancement or Immune Priming is also taking place. This was correctly predicted by top scientists in 2021 and is also in our prior books of evidence. Scientific evidence presented here in this document and in scientific papers and news showing booster is ineffective against Omicron:

The WHO recommended that all deaths regardless of cause should be classified as covid19 deaths if a person was diagnosed with covid19 within 28 days. This has become the basis and justification for false cases, false statistics, lies and deception. In New Zealand a man was shot dead and his death was mislabeled as "covid19" by the authorities and is listed in the official statistics as "covid19". This practice has been followed in many other countries including Ireland ; we refer you to prior books of evidence containing the concerns of coroners in Ireland.

More Scientific Studies showing that Lockdowns did not work. The costs far outweighed the benefits. The Lockdowns in Ireland were and are unjustified in scientific, medical and legal terms and represent abuse of power by the Irish government. They caused massive damage and losses to Irish businesses and Irish people.

The evidence shows that this abuse of power goes deeper and it has been well documented that the Great Reset plan by Klaus Schwab is intent in closing down all small businesses and communities and creating one source food chain of synthetic food, already started by Bill Gates, and total domination of markets including Ireland by mega corporations. Lockdowns are a potent weapon to break and destroy small and medium sized businesses within nations such as Ireland and create the world of the Great Reset. Schwab and the WEF announced publicly that the pandemic was a window of opportunity to expedite the Great Reset plan. And Schwab wrote a book about that named the Great Reset in 2020. A French news interview Klaus Schwab of WEF in 2016 stated the objective was to put microchips inside peoples bodies and brains and link this up to devices such as phones, computers, servers, robots, networks, etc. and that Zuckerberg of Facebook was getting the robot ready.

<https://www.youtube.com/watch?v=Ijcey1PPiIM> (Use English subtitles. Watch 2:45 to 3:45 for)

A **Map of Actions** for 2020 and the following years on the WEF web site provided in a previous book of evidence details the use of lockdowns, vaccine passports, mandatory vaccines, putting microchips into vaccines and into peoples bodies, censorship of the press and media, use of police and military brutality against citizens, detention camps called quarantine camps, social credit system linked to the microchips, etc. to force through the Great Reset in many countries including Ireland. Therefore the promotion of lockdowns which do not work to combat a relatively harmless virus combined with the continued blocking and banning of safe and effective medicines is used as an abuse of power for another more sinister agenda.

Putting a gun to the heads of the Irish people and nation and stripping them of their Constitutional Rights and Human Rights and Implementing policies and regulations which have led to mass deaths, injuries and disabilities in Ireland and the destruction of democratic freedoms and human rights. Criminal Breaches of Article 15 of the Irish Constitution by Irish politicians and NPHET in 2020 and 2021

Some Irish politicians and NPHET have criminally breached Article 15 of the Irish Constitution and Articles 40 – 44 of the Constitution and other Articles with their :

- Lockdowns after June 2020
- Apartheid laws passed in Summer 2021
- Freedom of Movement restrictions
- Support for False arrests and imprisonments of Irish people
- Destruction of the businesses and livelihoods of many thousands of Irish people
- Misusing the press and media to put out false statistics, lies, and frauds to manipulate and control the people
- Failure to properly assess and remedy the dangers posed by covid vaccines and boosters to the public
- Misuse and abuse of the police and courts to enforce unConstitutional and criminal actions against the Irish people

Article 15 of Irish Constitution

4 1° The Oireachtas shall not enact any law which is in any respect repugnant to this Constitution or

any provision thereof.

2° Every law enacted by the Oireachtas which is in any respect repugnant to this Constitution or to any provision thereof, shall, but to the extent only of such repugnancy, be invalid.

Vaccine Companies do not have Unlimited Legal Immunity

The PREP act in USA does not provide unlimited legal immunity to Big Pharma. And similar legal provisions exist in Ireland. Vaccine makers do not have the legal right to criminally place lives in danger and cause deaths, injuries, serious illnesses and disabilities in USA, Ireland and other countries. And do not have the legal right to facilitate the mass vaccination of people without their informed consent.

The PREP act provides a provision that hits hard at legal immunity within the “Willful Misconduct” Exception. I cite it below from publicly published commentary. It makes interesting reading.

“If a claim is within the PREP Act’s scope, a covered person is generally immune from legal liability. The “sole exception” to immunity is when a covered person (MAUFACTURER) proximately causes death or serious physical injury to another person through willful misconduct.

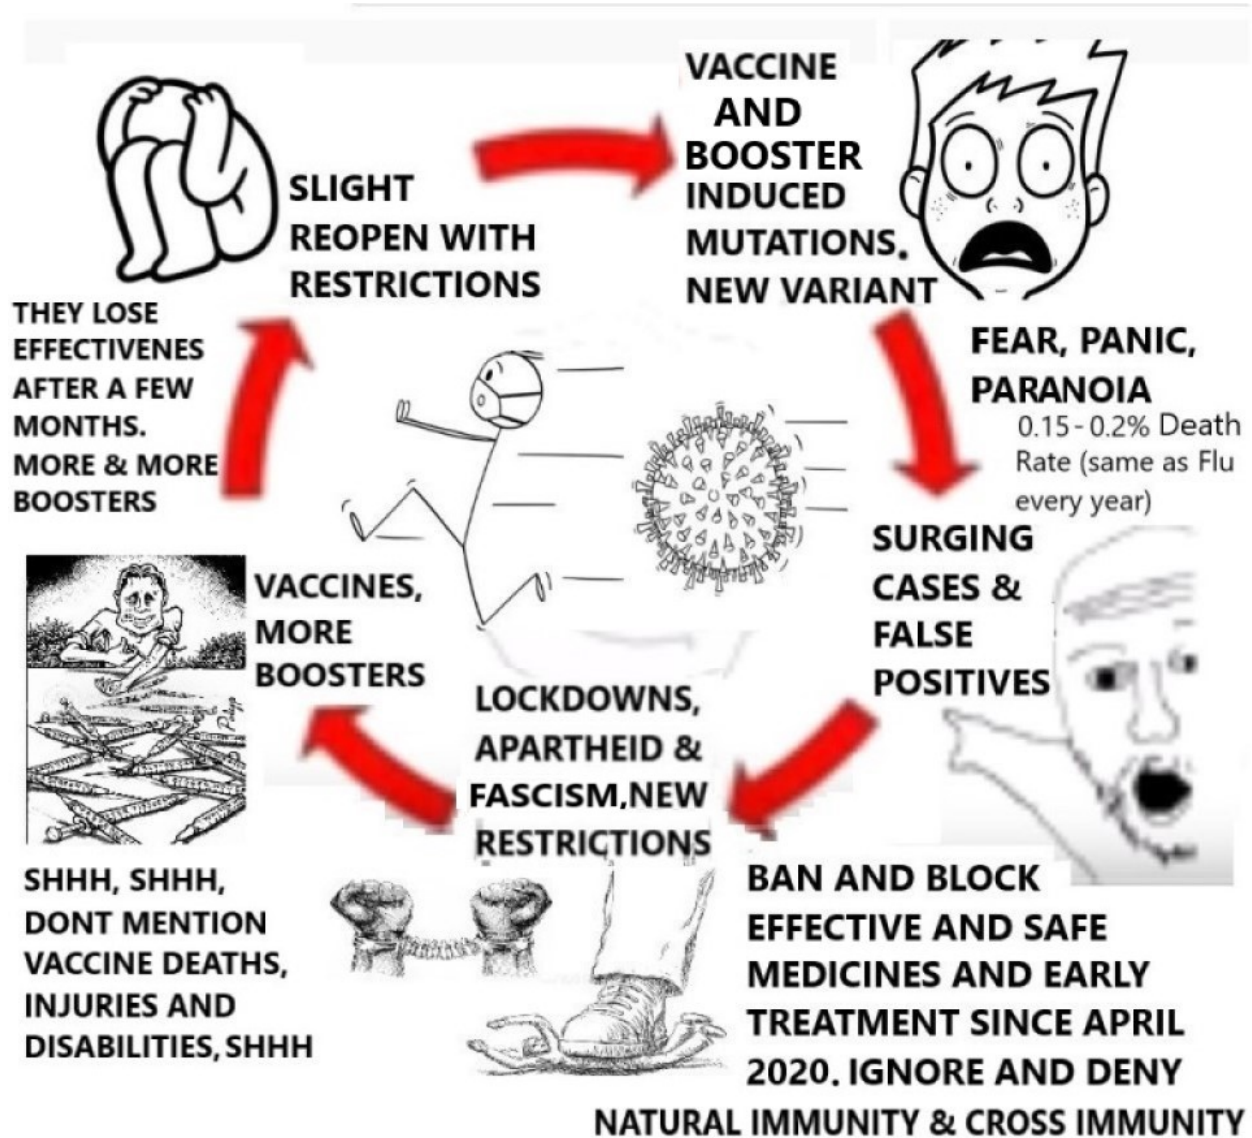

A serious physical injury must be life threatening, permanently impair a body function, permanently damage a body structure, or require medical intervention to avoid such permanent impairment or damage.

Willful misconduct requires that the covered person acted

- (i) intentionally to achieve a wrongful purpose;
- (ii) knowingly without legal or factual justification; and
- (iii) in disregard of a known or obvious risk that is so great as to make it highly probable that the harm will outweigh the benefit.”

A new Meme which explains in simple terms what has been unlawfully and criminally imposed and enforced upon Ireland and other countries

A continuous cycle of virus mutations and variants created by vaccines and boosters to keep this covid19 going indefinitely, bringing lockdowns, social restrictions, mass business closures and bankruptcies, more money printing and inflation, more national debt, etc. destroying societies, economies, democracy and freedom in the process. And endless cycle of frauds, crimes, lies, etc.

Illegal censorship of medical doctors and scientific and medical evidence and the British Medical Journal by Facebook owners. This has impacted Irish users of Facebook and public opinion in Ireland.

The editors of the **British Medical Journal** have published an open letter to Mark Zuckerberg the head of Facebook condemning the censorship of scientific and medical evidence on facebook. This is more evidence of illegal censorship on social media mentioned previously in our books of evidence and designed to promote covid19 frauds and crimes. Link -

Criminal Racketeering: More evidence of the illegal censoring, blackmail and extortion against Irish medical doctors and medical professionals to shut them up in 2020 and 2021

This corroborates our evidence in the prior books of evidence. The disgraceful mistreatment of Dr. Gerry Waters in 2021 where he was struck off as a medical doctor by the medical council for presenting the scientific facts and evidence about covid19 provides strong evidence of the censorship, blackmail and extortion directed against medical doctors and medical professionals in Ireland in 2020 and 2021. This campaign has been coordinated by NPHET, the HSE, the Dept. of Health and the Irish medical council and has placed the lives of many Irish people in danger and destroyed Irish democracy and thousands of Irish businesses.

This undermined its implementation in many countries including Ireland and could have saved hundreds of thousands of lives, including lives in Ireland.

The Great Barrington Declaration has been signed by 45,000 medical doctors and 15,000 scientists, many of them eminent and world famous. Evidence has emerged in the USA of criminal and illegal attempts to undermine this document through slander, defaming, lies, censoring and discrediting and use of the press and media for this purpose. This led to prolonged Lockdowns and mass deaths and destruction of many businesses and industries. On December 31st, 2021, the CDC will stop using PCR tests for covid19 due to the high rate of false positives and false negatives, due to high cycle counts and to defects in the PCR test for covid19. New Book exposes Dr. Tony Fauci as a liar and a criminal. Fauci has played a critical role in the emergence of the covid19 virus, the PCR tests, the patents and covid vaccines, the masks and the lockdowns and his directions, guidance and advice was followed and obeyed by the Irish and NPHET and HSE. The evidence for covid19 frauds and crimes presented in this new book corroborates and verifies the evidence in our Books of Evidence presented to the Gardai (Irish police) in 2021.

‘The Real Anthony Fauci’, a book by Robert F. Kennedy Jr. details the crimes and wrong doing of Tony Fauci over 35 years at the NIH. The book provides the evidence and facts about Fauci and the NIH in the USA and discredits him and discredits his response and the response of the NIH to covid19. Hospitalisations, and ICU admissions and Deaths from All causes for covid vaccinated people VS unvaccinated people in 2021

And

Hospitalisations, and ICU admissions and cases and Deaths from covid19 for covid vaccinated and unvaccinated every week from July 1st 2021 up to the present

And

Thorough investigations and autopsies of a large sample of those deaths alleged to be "covid19 deaths" but were from other causes. Several Coroners have expressed concerns about this mislabelling of deaths in 2020 and 2021

And

For the purposes of clarity we ask the HSE needs to furnish to the gardai and DPP the number of ICU beds and hospital beds and A and E admissions which have dealt with the above non-covid19 illnesses in December 2021 and for all of 2021.

And

scientific examination, including electron microscope of the contents of the covid vaccines and boosters

And

Pathologists and medical examiners to examine what exactly caused sudden deaths in young covid vaccinated people, middle aged vaccinated people and older vaccinated people. Performance of autopsies on bodies of vaccinated persons and special attention given to damage caused by spike proteins and damage to organs and endothelium.

Correction of Slight Statistical Error in Books of Evidence

There is a very slight statistical error in 2 books of evidence submitted to gardai and DPP.

In page 27 of Book of Evidence submitted in December 2021 under heading **Reckless Endangerment of Children** and subheading **Ireland – Young people and covid19** and

page 28 of Book of Evidence submitted in November 2021 under heading **The crime of Killing or Reckless Endangerment of Children from covid19 vaccines in Ireland and other countries** and subheading **Ireland – Young people and covid19**

The actual number of deaths from March 2020 to October 12th 2021 in the 0-14 to 15-24 age group was 0 (zero) not 3 as stated. This information has been stated by the Central Statistics Office (CSO) and is highly reliable. I include screenshot of official report below.

In the graph it is stated that in the 0-14 age group there have been no deaths from March 2020 to December 10, 2021. And only 6 deaths in the 15 to 24 age group. These deaths occurred after mass covid vaccinations of this age group in September and October 2021. This information has been stated by the Central Statistics Office (CSO) and is highly reliable.

In the 2 graphs below which cover March 2020 to November 2021 there were no deaths in the 0-14 age group and 5 deaths in the 15-24 age group by November 12th 2021 and 6 deaths by November 26, 2021. These deaths occurred after mass covid vaccinations of this age group in September and October 2021. This information has been stated by the Central Statistics Office (CSO) and is highly reliable. The death rate for covid19 for the age group 15-24 was 0 (zero) up until November 2021. So far, 6 persons out of 635,600 have died by December 2021, this gives a percentage of .00094%. A tiny insignificant percentage.

Zero children in the age group 0-14 have died of covid19. The statistics clearly show that the age group 0-14 is not at risk of death from covid19. But, studies from around the world clearly show that this age group is at increased risk of death, injuries, disabilities including myocarditis, pericarditis, clots, strokes and haemorrhages, and early death from the covid vaccines and boosters. You can view this scientific

and medical evidence in our books of evidence. The JCVI which approves vaccines in Britain came to a similar conclusion in Autumn 2021 and rejected covid vaccines for this age group. Mass vaccination of this age group would constitute the crime of Reckless Endangerment of Children and other crimes such as assault causing grievous bodily harm, poisoning, manslaughter and even murder.

Attached is the criminal case being brought before the International Criminal Court by a British team of legal and scientific experts. The same and identical crimes have been committed in Ireland and we are including evidence for this international criminal case in the Garda investigation file, DPP file and criminal court case in Ireland
